YOUR TRAINERS

MILJA HOFMAN

With over nineteen years of experience in the roaming industry, Milja Hofman started her career with Telfort in The Netherlands as Product Manager International Roaming. Before starting up Roamingwise, Milja worked at MACH in Luxembourg. Milja closely follows the GSMA working groups and teaches the GSMA standards. With Roamingwise, Milja supported many very satisfied customers in the past ten years.

ERIK VROLIJK

Following a successful managerial career within Finance & Wholesale at the KPN Mobile Group, Erik Vrolijk founded Connect2Roam early 2007. Erik specializes in improving the profitability of the roaming business for mobile operators. Part of his service portfolio is providing support on IOT negotiations. Many companies have chosen Connect2Roam because of the outstanding experience and contacts in the industry.
